NOTES FOR INDIAN VISAS

There are two ways to apply for your Indian visa - either online through their e-tourist visa service, or through the Indian High Commission’s Visa Facilitation Service (VFS).

You can also apply either way through our recommended visa service agency Travcour, who can assist with completing visa forms online as well as arranging and attending appointments on your behalf.

1. E-TOURIST VISA
• 30-day Visa
This is a double entry visa and is valid for entry within 30 days from the date the E-visa is granted. You can only apply for this type of visa only within 30 days of travel.

• 1-year visa
This is a multiple entry visa and is only valid for 1 year from the date the visa is issued. You can apply for this type of visa within 180 days of travel.

*Clients with a Pakistani passport or of Pakistani descent cannot apply for the electronic tourist visa.

Once you receive confirmation of your e-tourist visa by email, you must print a copy and take it with you when you travel.

2. VISA FACILITATION SERVICE (VFS Global)
All applicants applying for a visa through VFS must complete the online form and have it handed in to a branch of the Indian High Commission’s Visa Facilitation Service to complete the process. This can either be done in person, via a nominated person on behalf of the applicant or using the service of a visa service agency.

Completing the online application form includes the requirement to enter two referee details (one at home and one in India) plus details of your start hotel; we provide details below on a trip by trip basis. British passport holders whose parents were not born in the UK should contact their nearest Indian Embassy to check the visa application conditions.

The photos required for the visa must measure 2” x 2” (50mmX 50mm) and are available from Snappy Snaps and some Post Office/superstore photo booths.

*You can apply for a visa (no extra charge) which is valid for 6 months from the date of issue. This would allow you to apply earlier than the recommend 8 to 12 weeks, but you must ensure your time in India is completed by the end date of the visa.
